

## Vote for NC Democrats Statewide this November

### Why Vote?

In the last 3 ½ years, the extremist Republicans in our state legislature have:

- **Enacted unfair teacher pay** policies driving our best teachers to work elsewhere, stripped funding for schools, and eliminated teaching assistants, while giving away public school money to private schools through vouchers.
- **Refused 20 billion** federal Medicaid dollars that would have created jobs, saved rural hospitals, and provided health care to 500,000 North Carolinians.
- **Deprived unemployed NC workers** of the extended unemployment benefits that every other state provides.
- **Increased the danger** of gun violence by allowing firearms in bars, parks, and school parking lots.
- **Cut deals** and passed laws **allowing** out of state companies to inject **toxic chemicals** into our ground and drinking water by fracking.
- Cut taxes for big business and the very wealthy, but **raised taxes on families** earning less than \$151,000 a year.
- **Defunded Planned Parenthood**, denying NC women breast exams, birth control, and family planning.

**Now Thom Tillis, a leader of these extremists, wants to carry these destructive policies to Washington, and do to the US what he did to NC. That's why--**

**THIS ELECTION MATTERS, AND YOUR VOTE MAKES A DIFFERENCE!**

We can't afford to keep these extremists in Raleigh.  
And we owe it to the Nation to keep them out of Washington.

**Vote in NOVEMBER: Keep KAY HAGAN in the US Senate and restore balance in NC**
