Dear \_\_\_\_\_,

As I am sure you know, this November general election is truly more important than any other. We want to elect Democrats to reverse all the wrongs of our current state leaders who are Republicans and we have an opportunity to elect our first woman President.

I urge you to go to the polls and vote to elect Hillary Clinton as President, Deborah Ross as our US Senator, Roy Cooper as our Governor, and Democrats to be the leaders of our state.

My guess is that you know the issues!

- ✓ Your right to health care and to make decisions about your body and your health
- ✓ Your right to a job with livable wage
- ✓ Your right and your children's right to a good public education
- ✓ Your right to vote
- ✓ Your right to a clean environment and a government who protects it
- ✓ Your right to be who you want to be

If you share any or all of these concerns, then **PLEASE VOTE**. **Your voice is your vote.**

EARLY VOTING begins on Thursday, October 20 and ends on Saturday, November 5. If getting to the polls is an issue for you, apply for a mail-in ballot by asking for an Absentee Ballot at:
