

Dear ERA Supporters,

It's that time of the year when planning for precinct and civic group meetings gets underway in North Carolina. [NC4ERA](#) is offering this sample resolution, *Economic Justice and the ERA*, for your use. Please consider adopting such a resolution to support our efforts to constitutionally safeguard economic justice for women. The resolution can be modified as needed. Sources and graphics are included for reference and educational purposes.

If your organization adopts the resolution, we would like to recognize that support on the [NC4ERA](#) website. Please contact me at [nc4era@gmail.com](mailto:nc4era@gmail.com) indicating that your group wants to be publicly listed on the website with the other groups that adopt it. I can also be contacted at the e-mail address provided if you need the resolution in a different format or have a question about the ERA. We would appreciate organizations sharing the resolution with other groups for adoption.

Thank you to [ERA Task Force, National Council of Women's Organizations, ERA Coalition](#) and [Ratify ERA-NC](#) for offering reviews of the resolution.

Best regards,

Marena Groll, [NC4ERA](#)
