

_____, 2009

Dear Senator Hagan:

I am writing to ask you to support health care reform that guarantees quality, affordable health care for everyone. I want a choice: to be able to keep my private insurance or join a public health insurance plan option based on a family's ability to pay. I also want rules to regulate the insurance industry, so that health coverage would actually be there when I need it.

Sincerely,

_____, 2009
